Personal info

Hi, my name is Danilo Cantarella, I'm Italian and I'm 25 years old. I live in Catania, an Italian city on the east coast of Sicily. I have just obtained a master's degree in computer science, specializing in multimedia and data analysis. I'm really ambitious and determined. I have a great leadership capacity and I'm a person that learn very quickly. I love football, tecnologia, pizza and travel around the world.
